

Final Exam Information: MATH 251, Section 1, Spring 2003

- Date: Tuesday May 6
 - Time: 8:00 - 9:50 AM
 - Room: Nick 168 (our usual classroom)
-
- The final will be cumulative.
 - It is worth 100 points = $1/6$ of your grade.
 - The cumulative portion will consist of questions **very** similar to those on previous tests.
 - New material may be taken from the handout for section 10.7. If I choose a problem from this section it will be very similar to the first problem on that handout.
 - You will be given a cheat sheet identical to the one on the other side of this document.
 - There will be a study session scheduled Monday May 5. The time and place will be given in class and on the class web site.
